Judge: Hon. Beth Labson Freeman

Date Filed: December 5, 2014

Trial Date: November 21, 2016

Pursuant to the Northern District of California's Civil Local Rules 7-11 and 79-5, Defendant Arista Networks, Inc. ("Arista") respectfully submits this administrative motion to file under seal documents and information filed in connection with Arista's Response to Cisco's Submission re Protectable Elements.

Arista seeks to file under seal the documents and information listed in the table below, which contain material that has previously been designated as confidential or highly confidential by Cisco Systems, Inc. ("Cisco") and third parties Dell, Juniper Networks, and HP Enterprise. Arista expects that Cisco and/or the third parties will file supporting declarations pursuant to Civil L.R. 79-5(e)(1) if they seek to keep any of this information under seal. Arista takes no position on whether sealing the documents and information designated confidential by Cisco or third parties is appropriate. Arista files this administrative motion only to afford the designating parties the opportunity to defend their confidentiality designations as provided by Civil Local Rule 79-5(e).
